ARCHPASTORAL APPEAL OF THE MOST REVEREND DANIEL ARCHBISHOP OF CHICAGO AND THE MIDWEST SUPPORT OUR SEMINARIANS 2026

Beloved Brothers and Sisters in Christ: As we begin our annual Support Our Seminarians appeal, I invite you to join the parishes, church organizations, and individuals throughout the Diocese of the Midwest investing in the future of ministry in the Church.

This year, our Diocese has been blessed with fourteen seminarians. These men, our sons and brothers, are studying at Saint Tikhon's Orthodox Theological Seminary, South Canaan, PA or at Saint Vladimir's Orthodox Theological Seminary, Crestwood, NY. Six are new students just beginning their seminary careers, while eight are returning to continue their theological studies and priestly formation. Each of their photos and biographies are available on our diocesan website: https://domoca.org/diocesan-seminarians.

These seminarians and their families are your fellow parishioners and friends from throughout the Diocese of the Midwest. They have made significant sacrifices in moving to the seminaries where they are now preparing themselves for a life of service to God and His people. Along with their families, they are making sacrifices and embracing the call to prepare for future ministry. Their formation requires not only education and spiritual development, but also significant financial resources.

I ask you to prayerfully consider supporting our seminarians in two important ways: spiritually and financially.

Your prayers are an essential source of strength and encouragement as these men discern and prepare to serve the Church. In addition to this annual "SOS" appeal, I also encourage parishes, parish organizations, families, and individuals to contribute financially toward their formation and educational needs throughout the year, and whenever possible.

Each parish and mission of the Diocese of the Midwest is called upon to either take a special collection, hold a fundraising event, or direct funds from the parish budget in order to contribute to this annual diocesan-wide effort. Every gift, regardless of size, makes a meaningful difference. Your generosity helps provide the resources that our seminarians need as they continue their journey toward their future ministry. By supporting them today, you are helping to build a stronger future for our Church, and ensuring that they are prepared to serve God and His people with faith, compassion, and dedication.

I sincerely thank you for your prayers, generosity, and continued commitment to the theological education and formation of our seminarians. May God bless you abundantly for your support, and for the significant contribution you make in preparing the next generation of priests.

With gratitude for your generous support, I remain, Your Father in Christ,

DANIEL Archbishop of Chicago and the Midwest

PLEASE KEEP OUR ELDERS OF THE CHURCH & SHUT-INS IN YOUR PRAYERS

Commemoration of the Miracle of the Archangel Michael at Colossae / Commemorated on September 6

In Phrygia, not far from the city of Hieropolis, in a place called Cheretopos, there was a church named for the Archangel Michael, built over a miraculous spring. This church was built by a certain inhabitant of the city of Laodicia in gratitude to God for healing his mute daughter. The holy Chief Commander Michael appeared to this man in a dream and revealed to him that his daughter would receive the gift of speech after drinking from the water of the spring. The girl actually did receive healing and began to speak. After this miracle, the father and his daughter and all their family were baptized. In fervent gratitude, the father built the church in honor of the holy Chief Commander Michael. Not only did Christians begin to come to the spring for healing, but also pagans. In so doing, many of the pagans turned from their idols and were converted to the faith in Christ.

At this church of the holy Chief Commander Michael, a certain pious man by the name of Archippus served for sixty years as church custodian. By his preaching and by the example of his saintly life he brought many pagans to faith in Christ. With the general malice of that time towards Christians, and especially against Archippus, the pagans thought to destroy the church in order to prevent people from coming to that holy place of healing, and at the same time kill Archippus. ***Continued page 5***

Miracle of the Archangel Michael ***Con't from p4***

Toward this end they made a confluence of the Lykokaperos and Kufos Rivers and directed its combined flow against the church. Saint Archippus prayed fervently to the Chief Commander Michael to ward off the danger. Through his prayer the Archangel Michael appeared at the temple, and with a blow of his staff, opened a wide fissure in a rock and commanded the rushing torrents of water to flow into it. The temple remained unharmed. Seeing such an awesome miracle, the pagans fled in terror. Archippus and the Christians gathered in church glorified God and gave thanks to the holy Archangel Michael for the help. The place where the rivers plunged into the fissure received the name "Chonae", which means "plunging." The Chudov ("of the Miracle") monastery in Moscow is named for this Feast.
