# THE BREATH OF GREAT LENT

*Inok Vsevolod (Filipiev)*

The door to my cell I secure,  
I light the votive lamp.  
Great Lent brings us the cure  
Of freshness and tranquillity.

Out there I tried to gain  
Peace, knowledge and serenity,  
But all I found was damp  
Indifference of rain.

The mask of life will fall  
And show joys of carnality  
To be like leaves of years gone by,  
Like grasses dead and dry.

The shade of heavenly delight  
Protects the poor and those in pain.  
Great Lent, Great Fast has come again.  
It has come to us all  
To cleanse our souls and show us light.
