

St. John the Baptist Orthodox Church Stewardship

2013 Financial
COMMITMENT

YES! I rededicate myself to the ongoing mission of Christ's Church by generously pledging to the operating expenses of St. John's. This is not a contract, but a sincere statement of commitment to God through my church.

The OCA and Diocesan assessments are sent monthly directly to the Diocese - these monies do not stay in our parish treasury but must be remitted for each member who is counted as a "member in good standing".
